BIG STAKE IN HARTFORD MEET TO PETER SCOTT

Grand Circuit Trotter Has Easy Time in 2:08 Pace, Winning Charter Oak Stake of \$5,000.

HARTFORD, Conn., Sept. 7.—Out-classing the field, Peter Scott on Monday won the \$5,000 Charter Oak Stake for 2:08 trotters, the feature of the opening of the Grand Circuit meeting here. The race was robbed of much of its interest by the withdrawal of Lee Axworthy, who warmed up lame. With the champion 4-year-old out of the 2:18 trotting stake, Peter Scott simply played with the others.

Walter Cox repeated his New York story of last week with Queen Abess in the 2:08 pace. Margot Hal won the first heat, but the judges discarded her in the second for a long run. Laramie Lad was easily the best in the 2:18 trotting stake.

It was announced today that the champion pacer, Directum I, will start on Thursday to beat the track record of 2:00 made in 1899 by Star Pointer. 2:08 trot, the Charter Oak, 3 in 5, stake \$5,000.

2:27 trot 400

2:12 pace, Orpheum theater \$1,000
2:12 pace 400
2:18 pace 400
Plans for the Derby Saturday are unchanged.

The opening day of Tuesday will be deemed as South Bend and Mishawaka day and it is hoped to have the merchants and manufacturers as well as the school officials recognize the day, and allow as many of their employees as possible to attend. It is also expected that arrangements will be made with several of the steam lines running into South Bend, to put on extra trains to take care of the passenger traffic out of town each evening of the fair. As the present train schedules are arranged it is easy for the residents of nearby towns to get to South Bend in time for the principal events of the fair, but is almost impossible for them to return the same evening.

The final decorating of the entrance gates as well as the installing of the turn stiles will be completed today. Over the center entrance the name of Springbrook park has been placed, the arch to the west will be labelled South Bend; the one to the east Mishawaka, thereby plainly designating the mutual interest of the two communities in the fair.

Advance agents of the A. B. Miller exposition shows are in the city preparing for the engagement of these attractions on the fair grounds. Bands have been engaged from various towns outside South Bend, and special days will be devoted to them. The opening day, as mentioned, will be South Bend and Mishawaka day. Wednesday Lapeere and Michigan City will be known as Derby day. The Elbel band and the Mishawaka Woolen Co.'s band have been engaged for frequent concerts.

FOOTBALL STARS TO BE WITH US IN A FEW DAYS

Real Season Will Start on Sept. 18—Rules This Year Are But Little Different From 1914 Model.

By Frank G. Menke.

NEW YORK, Sept. 7.—Ah-h-h, pardon us, please for intruding upon your musings over the baseball situation—but—did you know that—Old King Football is rapping on the portals of sportdom and demanding entrance.

Just a short period hence—Sept. 18th to be exact—the lid that has blotted football from view for 10 months or so, will be lifted officially, and from then on until snowflakes and bitter and colder weather and warriors will demand the major portion of the sport lover's attention.

Unofficially, football already is under way. Many of the big colleges have established their varsity football in training camps and are putting them through light practice that is intended to condition them for the gruelling scrimmage work that is to start along about the 15th of the month.

Starts Sept. 18th.

The first scheduled games of the year are those between Carlisle and Albright at Carlisle, Pa., and Bucknell against Bloomsburg, normal school at Lewisburg, Pa. Those games will be played on the 18th. On the following Saturday—Sept. 25th—football really will get under way in various parts of the country and in which all the most important colleges are to participate.

Among the games that will be played on the 25th are those: Yale vs. Maine; Harvard vs. Colby; Princeton vs. Georgetown; Penna. State vs. Westminster; W. & J. vs. Geneva; Bowdoin vs. New Hampshire; Holy Cross vs. Bates; Syracuse vs. Hobart; U. of Penn. vs.
